Founded in 1963, The Hong Kong Anti-Cancer Society ('HKACS') is the oldest non-profit anti-cancer organisation in Hong Kong. It is committed to promoting diversified anti-cancer services such as prevention, professional treatment, and nursing care. To celebrate the 60th anniversary of HKACS, a series of commemorative activities will be held, among which the "HKACS 60th Anniversary Charity Dinner" is one of the key activities. The donation raised from the dinner will be allocated to the operations of our charitable services, including medical assistance programme, charity beds, cancer education, etc. Your generous support will help more cancer patients and their caregivers to enjoy our professional services and to fight against cancer hand in hand.
